TOUCHED BY LIFE
A MUSICAL REFLECTION

P. 52 - 53 **I WALK THROUGH
THE DARK**

Gateway to the song:

Where does music come from?
Where do words emerge from.
What is the mysterious source?
In a way life writes the words.

In a way life makes the music and we are only humble instruments of expression.

(19) I WALK THROUGH THE DARK

I walk through the dark, the dark turns to light.
The dark turns to light in you.
The shadows grow into sunshine bright.
The sunshine grows into you.

I whistle a tune, the wind is all mine,
its value a gift from you.
My poorest song turns to song divine,
my singing grows out of you.

I write simple words, the writing is mine,
its virtue and strength from you.
My words so poor turn to words divine,
my writing grows out of you.

I walk through the night, the night turns to day,
the night turns to day in you.
The twilight grows into golden rays,
the golden rays into you.

I walk through the dark
